Re: PM-1088/1089 U.K.

Dear Les:

I have just received Mr. Marlow's letter of August 23 enclosing an Official Action which is due for response on October 19, 1983. As Mr. Marlow does not indicate whether he sent you copies of the action and a newly cited patent, GB 282,369, I enclose a copy of each.

Please advise whether you will prepare a response or authorize us to do so.

Yours very truly,

Robert M. Shaw
